- 5:24 pm **ken_rosen:** On related note,I'm surprised how many do apprec good writing RT @WriterChanelle: @LauraLCrum If particular, people shun you #kaizenblog
- 5:25 pm **LauraLCrum:** I also think that the art of conversation requires time, a commodity we're trying to minimize these days. #Kaizenblog
- 5:25 pm **ArtseyC:** To 'listen? another?s soul into a condition of disclosure and discovery may be almost the (1/2) #kaizenblog

- 5:26 pm **tisasilver:** @ArtseyC Yes, active listening is a huge part of conversation. #kaizenblog
- 5:26 pm **WriterChanelle:** Same here. RT @parissab: A1 not to sound old but i'm missing a little civility #kaizenblog
- 5:26 pm **sanchezjb:** Conversation begins w/active listening. #Socialmedia provides a channel 4 ppl 2 speak; IMHO, listening (4 many) is 2ndary. #kaizenblog
- 5:26 pm **TanjaZieg:** I disagree re the love for words. I think ppl r actually talking MORE with SM. Words may b abbrev, but ppl still love 2 talk!" #kaizenblog

- 5:26 pm **3keyscoach:** Thought t #kaizenblog
- 5:26 pm **3keyscoach:** Thought ths w #kaizenblog
- 5:26 pm **LauraLrum:** @TanjaZieg Maybe, but I feel the poetry is gone with these mediums. #kaizenblog
- 5:27 pm **WriterChanelle:** @parissab I think people condense too much of their thought to fit it into 140. I don't mind multiple on topic tweets #kaizenblog
- 5:27 pm **parissab:** @WriterChanelle :) thanks! #kaizenblog
- 5:27 pm **bcoelho2000:** Most businesses are trying to yell louder in a one way channel, conversation is a great way to differentiate yourself and engage #kaizenblog
- 5:27 pm **ArtseyC:** @michaelbenidt SM, like all conversations is what you make of it. I promise I do not broadcast even 50%; many ppl don't. #kaizenblog
- 5:27 pm **ken_rosen:** Rules different at nite. In sales training, we call detailed 5-min story "cocktail party pitch" #kaizenblog
- 5:27 pm **WriterChanelle:** Beautiful RT @ambercleveland: A1. The exchange between people finessed to a song - the "art" of conversation #kaizenblog
- 5:27 pm **3keyscoach:** RT @ArtseyC 80% listening, 20% talking. ? RT @3keyscoach: Q1 describe the Art of Conversation? #kaizenblog

- 5:28 pm **TanjaZieg:** RT @Brainmaker: #kaizenblog A1 Social media is a toolkit. A thousand ways to build with it. It has no power to kill on its own. We decide.
- 5:28 pm **3keyscoach:** @michaelbenidt You're doing fine! #kaizenblog

- 5:28 pm **Chrstndowers:** Q1:Listen to understand first, then responding based on what you heard. Ask questions to understand more. #kaizenblog
- 5:28 pm **michaelbenidt:** For that matter, I think it's inconsiderate to my other followers, not on #kaizenblog, to have to be seeing these comments in my stream.
- 5:28 pm **3keyscoach:** Q2 What is the intersection between social media & conversation? #kaizenblog
- 5:28 pm **ASQ1521:** The art of conversation is best realized when there is genuine interest in learning or the relationship. #kaizenblog
- 5:29 pm **WriterChanelle:** Wonder if it's too high-concept RT @sanchezjb: Can see this as a required college freshman course: The Art of Conversation 101. #kaizenblog
- 5:29 pm **parissab:** true but maybe that becomes a true blog post and not series of tweets RT @WriterChanelle: I don't mind multiple on topic tweets #kaizenblog
- 5:29 pm **bcoelho2000:** RT @ASQ1521: The art of conversation is best realized when there is genuine interest in learning or the relationship. #kaizenblog
- 5:29 pm **ArtseyC:** @michaelbenidt And those who do broadcast 90% (and we who don't reply/respond to them) are not actually in a conversation. #kaizenblog
- 5:29 pm **parissab:** A2: SM is enhancement so I don't see it as intersection so much as a wonderful support to the right behaviors we should be doing #kaizenblog
- 5:29 pm **TanjaZieg:** @sanchezjb ppl have 2 speak first b4 someone can listen. #kaizenblog
- 5:30 pm **sanchezjb:** @michaelbenidt @ArtseyC Seems we agree that active listening is critical to substantive conversations. #kaizenblog
- 5:30 pm **naturalart:** @michaelbenidt So what is the solution? #kaizenblog
- 5:30 pm **WriterChanelle:** @sanchezjb If our society doesn't value artistry in conversation, would they value a class in it? #kaizenblog
- 5:30 pm **tisasilver:** @TanjaZieg Talking more but perhaps thinking less about how what they are saying will be received? #kaizenblog
- 5:31 pm **naturalart:** @ArtseyC true on responding. Definitely need to engage. #kaizenblog
- 5:31 pm **ArtseyC:** @sanchezjb Social Media is only a conversation for those who use it to converse (2 ways). Broadcasting is not conversation. #kaizenblog
- 5:31 pm **michaelbenidt:** @bcoelho2000 - Bruno, true, but the majority of folks on these sites are just pumping their stuff, looking for links, etc. #kaizenblog
- 5:31 pm **TanjaZieg:** RT @Chrstndowers: Q1:Listen to understand first, then responding based on what you heard. Ask questions to understand more. #kaizenblog

- 5:31 pm **bcoelho2000:** @3keyscoach For me social media is all about the conversations and sharing knowledge. That's what makes me continuously evolve. #kaizenblog
- 5:31 pm **WriterChanelle:** @sanchezjb I say this as a Philosophy major who got major criticism from family for choosing such a useless degree path #kaizenblog
- 5:31 pm **Brainmaker:** @TanjaZieg #kaizenblog I'm with you. I see a great love of words, and a playfulness, as well as an interest in being more civil, not less.
- 5:31 pm **torreymcgraw:** A2 Success lies in adding value. Thus more will be willing to drive down your street. #kaizenblog
- 5:31 pm **ArtseyC:** RT @asq1521: The art of conversation is best realized when there is genuine interest in learning or the relationship. #kaizenblog
- 5:31 pm **3keyscoach:** RT @ArtseyC: To listen? another?s soul into a condition of disclosure and discovery may be almost the (1/2) #kaizenblog

- 5:31 pm **3keyscoach:** RT @LauraLCrum: I also think that the art of conversation requires time, a commodity were trying to minimize these days. #kaizenblog
- 5:32 pm **ambercleveland:** @michaelbenidt I don't think soc med is 90% broadcasting. If I look at someone's stream and its more than 50% br, I dont follow #kaizenblog
- 5:32 pm **ambercleveland:** RT @TanjaZieg: I think ppl r actually talking MORE with SM. Words may b abbrev, but ppl still love 2 talk!" #kaizenblog
- 5:32 pm **sanchezjb:** @TanjaZieg Agree but sometimes actions speak louder than words. #kaizenblog
- 5:32 pm **3keyscoach:** @LauraLCrum So if we don't take the time to converse, then what? What are we losing? #kaizenblog
- 5:32 pm **ambercleveland:** RT @LauraLCrum: I also think that the art of conversation requires time, a commodity were trying to minimize these days. #kaizenblog
- 5:32 pm **tisasilver:** @TanjaZieg Not all of course, but online the tone & body language are absent. Have to choose words more carefully. #kaizenblog
- 5:33 pm **parissab:** RT @tisasilver: @TanjaZieg Not all of course, but online the tone & body language are absent. Have to choose words more carefully. #kaizenblog
- 5:33 pm **WriterChanelle:** @parissab Sure. I've had many ideas for blog posts come from conversation on Twitter that weren't had in a chat. #kaizenblog
- 5:33 pm **ambercleveland:** @bcoelho2000 nice new avatar :) #kaizenblog

- 5:33 pm **LauraLCrum:** @3keycoach We lose insight and poetry. We may still glean the information, but lose the interesting part (to me). #kaizenblog
- 5:33 pm **parissab:** @WriterChanelle and that's why all of these channels are so great and adds to the fun! #kaizenblog
- 5:33 pm **bcoelho2000:** @michaelbenidt I do realize that. Maybe that's the right approach for what they want to achieve. For me it's about the convers. #kaizenblog
- 5:33 pm **ASQ1521:** Q2: SM intersects w/ conversation when relationships are built. Genuine thought and opinion vs. announcements #kaizenblog
- 5:33 pm **Brainmaker:** @LauraLCrum @tanjazieg #kaizenblog It couldn't be clearer that you find what you look for in SM. I see great poetic work here.
- 5:34 pm **3keycoach:** RT @bcoelho2000: Most businesses are trying to yell louder in 1 way channel, convo is gr8 way to differentiate yourself & engage #kaizenblog
- 5:34 pm **ambercleveland:** @LauraLCrum have you seen tweets by @GPWriter - it is poetry, it's beautiful #kaizenblog

- 5:34 pm **michaelbenidt:** @WriterChanelle - it's a shame that you stopped, but yes, after hearing "There are no rules in social media" or "it's too new" #kaizenblog
- 5:34 pm **3keycoach:** What about blog formats? How do they fit into the framework of a conversation? #kaizenblog
- 5:34 pm **3keycoach:** RT @Chrstndowers: Q1:Listen to understand first, then responding based on what you heard. Ask questions to understand more. #kaizenblog
- 5:35 pm **LauraLCrum:** @Brainmaker that's true. I guess I feel the constrictions of SM are a bit too harsh, or maybe just not to my aesthetics. #kaizenblog
- 5:35 pm **ken_rosen:** I think Ppl DO value artful comments&elevate those who are capable.But aesthetic changing. W/SM as a force of chg no doubt #kaizenblog
- 5:35 pm **Brainmaker:** RT @ASQ1521: The art of conversation is best realized when there is genuine interest in learning or the relationship. #kaizenblog

- 5:35 pm **TanjaZieg:** @LauraLCrum ok. I agree. But conversation not dead on SM, just changed some. I still c poetry, but yes, not as often, #kaizenblog
- 5:35 pm **sanchezjb:** @WriterChanelle Value can be learned. I was skeptical of taking a philosophy class until I took it. #kaizenblog
- 5:35 pm **tisasilver:** RT @torreymcgraw: A2 Success lies in adding value. Thus more will be willing to drive down your street. #kaizenblog
- 5:35 pm **parissab:** @3keyscoach posts as continued thoughts based on inspiration from twitter/life. My Buick post was bc of that article u provided #kaizenblog

- 5:35 pm **bcoelho2000:** @ambercleveland Thank you Amber! The previous one was my personal brand logo. Now that I have my own startup project I changed it #kaizenblog

- 5:36 pm **michaelbenidt:** @naturalart - There may be no solution. More and more people are committing social media suicide and I think I'll follow them. #kaizenblog
- 5:36 pm **bcoelho2000:** RT @3keyscoach: The irony of talking abt SM & convo while we're struggling to staying connected w/ each other is pretty funny ! #kaizenblog
